Can either one of you help out, I talked to Lisa and she's fine with one or both of you reaching out to discuss in more detail. Please let me know if you do make contact with him. His deadline is 2:00 pm, just got this now.

Chris,

How are you? I'm a reporter with Bloomberg BNA in Washington, DC. Mark Lawrensen at SD DENR recommended I reach out to you. I've already emailed Joy Jenkins. I'm covering this today and trying to locate the party you negotiated this settlement with. It seems CoCa has been defunct since roughly 1990. Can you point me in the direction of the company committed to footing the bill or Thomas Congdon?

I have a deadline at 4 pm EST. Sorry for the late inquiry.

Best,
Brian
